Case No.: 1:13-ev-000291-RMB-JS

Dear Magistrate Judge Schneider:

This firm represents Ameridose, LLC in the above-referenced matters. On January 17, 2013, this Court issued a <u>sua sponte</u> Order staying "all briefing on any outstanding motions in these matters, *including but not limited to the motions to remand*" pending the decision of the Judicial Panel on Multidistrict Litigation. *See* attached Order, dated January 17, 2013. (emphasis added.) On February 12, 2013, the JPML issued a Transfer Order establishing MDL No. 2419 before Judge F. Dennis Saylor IV in the District of Massachusetts. *See* attached Transfer Order, dated February 12, 2013. The JPML subsequently issued a Conditional Transfer Order (CTO-1) ordering that all actions listed on CTO-1 be transferred to the District of Massachusetts. *See* attached CTO-1, dated February 14, 2013. Among those actions listed are the *Tisa* and *Normand* cases that are the subject of this letter.

Even though the JPML issued an order establishing an MDL in the District of Massachusetts, and issued CTO-1 transferring these cases to the MDL, Plaintiffs Diane E. Tisa and Greta E. Normand filed Motions to Remand their cases to the Superior Court of New Jersey

# UNITED STATES JUDICIAL PANEL on MULTIDISTRICT LITIGATION

IN RE: NEW ENGLAND COMPOUNDING PHARMACY, INC., PRODUCTS LIABILITY LITIGATION

MDL No. 2419

## TRANSFER ORDER

Before the Panel: Pursuant to 28 U.S.C. § 1407, plaintiffs in an Eastern District of Michigan action move for centralization of this litigation in the District of Minnesota. This litigation currently consists of four actions pending in two districts, as listed on Schedule A. Since the filing of the motion, the parties have notified the Panel of over 120 related actions pending in various federal districts.

All parties support centralization under Section 1407, but disagree on an appropriate choice for transferce district. Plaintiffs in the four actions on the motion and over 30 potential tag-along actions support centralization in the District of Minnesota. Defendant New England Compounding Pharmacy, the responding co-defendants in over 40 potential tag-along actions, plaintiffs in five potential tag-along actions, and an interested party from the related bankruptcy case<sup>3</sup> request the District of Massachusetts.<sup>4</sup>

On the basis of the papers filed and the hearing session held, we find that these actions involve common questions of fact, and that centralization under Section 1407 in the District of Massachusetts will serve the convenience of the parties and witnesses and promote the just and efficient conduct of this litigation. All actions share factual questions relating to injuries arising from the alleged contamination of the injectable steroid methyl-prednisolone acetate at the New England Compounding Pharmacy facility in Framingham, Massachusetts, which allegedly resulted in a multistate outbreak of hundreds of cases of fungal meningitis and other infections. Centralization will

These and any other related actions are potential tag-along actions. See Panel Rules 1.1(h), 7.1 and 7.2. Some of the parties have presented arguments concerning the potential tag-along actions in the current briefing. The parties, however, will have an opportunity to express their views on transfer of potential tag-along actions to MDL No. 2419, as provided for under Panel Rule 7.1.

<sup>&</sup>lt;sup>2</sup> The responding co-defendants are Ameridose LLC, Medical Sales Management, Inc., Barry Cadden, Gregory Conigliaro, Lisa Conigliaro Cadden, Douglas Conigliaro, Carla Conigliaro, and Glenn Chin.

<sup>&</sup>lt;sup>3</sup> The interested party is the Official Committee of Unsecured Creditors.

<sup>&</sup>lt;sup>4</sup> In the alternative, defendant proposes the Eastern District of Michigan.

eliminate duplicative discovery; prevent inconsistent pretrial rulings, especially with respect to class certification and discovery issues; and conserve the resources of the parties, their counsel and the judiciary.

We conclude that the District of Massachusetts is an appropriate transferee district. The principal events giving rise to the alleged claims occurred in Massachusetts, the facility at which the contamination allegedly occurred is located there, and the federal and state investigations into New England Compounding Pharmacy are focused there. Thus, the primary witnesses, physical evidence, and documentary evidence likely will be located in Massachusetts. Additionally, defendant is headquartered in Massachusetts, and defendant's bankruptcy case is pending in this district. The Honorable F. Dennis Saylor IV, to whom we assign this litigation, is an experienced transferee judge who is already familiar with the contours of, and has taken preliminary steps to organize, the litigation. We are confident he will steer this litigation on a prudent course.

IT IS THEREFORE ORDERED that pursuant to 28 U.S.C. § 1407, the actions listed on Schedule A and pending outside the District of Massachusetts are transferred to the District of Massachusetts and, with the consent of that court, assigned to the Honorable F. Dennis Saylor IV for coordinated or consolidated pretrial proceedings.

IT IS FURTHER ORDERED that defendant's request to modify the caption of MDL No. 2419 is denied.

(SEE ATTACHED SCHEDULE)

## CONDITIONAL TRANSFER ORDER (CTO ~1)

On February 12, 2013, the Panel transferred 4 civil action(s) to the United States District Court for the District of Massachusetts for coordinated or consolidated pretrial proceedings pursuant to 28 U.S.C. §1407. See F.Supp.2d (J.P.M.L. 2013). Since that time, no additional action(s) have been transferred to the District of Massachusetts. With the consent of that court, all such actions have been assigned to the Honorable F. Dennis Saylor.

It appears that the action(s) on this conditional transfer order involve questions of fact that are common to the actions previously transferred to the District of Massachusetts and assigned to Judge Saylor.

Pursuant to Rule 7.1 of the Rules of Procedure of the United States Judicial Panel on Multidistrict Litigation, the action(s) on the attached schedule are transferred under 28 U.S.C. §1407 to the District of Massachusetts for the reasons stated in the order of February 12, 2013, and, with the consent of that court, assigned to the Honorable F. Dennis Saylor.

This order does not become effective until it is filed in the Office of the Clerk of the United States District Court for the District of Massachusetts. The transmittal of this order to said Clerk shall be stayed 7 days from the entry thereof. If any party files a notice of opposition with the Clerk of the Panel within this 7-day period, the stay will be continued until further order of the Panel.
